

Please Check Out by 11 AM

When you leave, we kindly request the following:

- 1) Turn-Off the heater in the second bedroom. Turn down the central thermostat to 65 degrees or off.
- 2) Turn-Off the lights.
- 3) Lock the deck doors in both bedrooms. Keep the “front door” locked using the bottom lock. Lock the foyer door by pressing any key after you shut the door.
- 4) Place sheets and towels (unless wet) in the provided hampers. Wet towels or washcloths can be left to dry on a hook or rack.
- 5) If you enjoyed the use of any of the books, toys, puzzles, etc. during your stay, please leave them out so the housecleaners may clean them for future guests. We take cleaning/sanitizing very seriously for the health and safety of all our guests.
- 6) Throw away any unused food and opened drinks that you placed in the refrigerator or freezer.
- 7) Throw trash away in the main trash bin located outside the foyer door, near the snow blower. If you happen to be staying in the house on a Tuesday/Wednesday, **please move the trash bin to the road for us Tuesday night.** (If you're here on a Wednesday, we would be so appreciative if you would bring the bin back to the wall by the snow blower.)

Thank you for being our guests. We sincerely hope you enjoyed your stay!

Please take the time to share a review of your stay on Airbnb or VRBO.

Write us a note in our guestbook as well! We'd love to know more about you – where you're visiting from, how you enjoyed the area, if you saw any amazing wildlife, etc.

If you have any suggestions on how we can make your stay better next time, please let us know. We appreciate your feedback.

~Cary & Chad
